Linking of Loss-making PSUs with Private Sector

2646. SHRI KRISHAN LAL SHARMA : Will the PRIME MINISTER be pleased to state :

(a) whether it is a fact that a number of public sector enterprises are over-staffed and suffering huge losses ;

(b) if so, the number of such enterprises;

(c) whether it is also a fact that many loss-making enterprises became profitable when linked with private sector;

(d) if so, whether Government also propose to do the same in respect of other such enterprises;

(e) if not, the reasons therefor; and

(f) what other measures are in the offing in this matter ?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI) : (a) and (b) During 1992-93, 104 Central PSEs incurred losses. Name of these PSEs is given at pages S-46 to S-50 in Vol. I of P.E. Survey, 1992-93 laid in the Parliament on 23-2-1994. It is true that a good number of PSEs are having surplus man power, which has direct impact on the reduced profitability. However, over-staffing is not the sole reason of incurring losses. Reasons for losses are enterprise specific and vary from enterprise to enterprise.

(c) No, Sir.

(d) and (e) Do not arise.

(f) Measures adopted for improving the efficiency of PSEs include providing more power to Board of Directors and their professionalisation, signing of MOUs with PSEs, referring sick PSUs to BIFR for their revival/rehabilitation, diversification of product-mix, technology upgradation, export promotion etc.

Industrial collaboration with Israel

2647. SHRI BHUPINDER SINGH MANN : Will the PRIME MINISTER be pleased to state :
